

PLEASE NOTE

THE GLOCOIL HEATING ELEMENT (described on page 47 of "Energy From the Sun" and used to build a high-temperature furnace) should be available from your local electric supply store or his wholesale house. If not, you can obtain one by writing to:

**Eagle Electric Manufacturing Company
23-10 Bridge Plaza, South
Long Island City 1, New York**

**Ask for: Eagle Straight Glocoil #415
110 volts, 660 watts, Edison base.**

The price (April 3, 1962), subject to change, is 84¢ plus costs of handling and postage.
